

**MISSISSIPPI LEGAL  
PROFESSIONALS ASSOCIATION  
2008-2009 MEMBERSHIP  
CAMPAIGN  
"Linking Yesterday with Tomorrow"**

We join President Lisa Roberts, PLS on her journey to “Professionalism...Linking Yesterday with Tomorrow”. This year we will be holding our own Membership Campaign in an effort to support President Lisa on this journey. Our members will start in the year 1929, the year NALS was founded by Ms. Eula Mae Jett, and travel forward through the years in the hopes of joining the future generations in NALS in 2029. Along this journey you, the member, will receive travel tokens that will allow you to move forward through the years. There will be small prizes handed out at each of our state meetings throughout the year with the major prize being awarded at the Annual Meeting in May 2009.

The rules are as follows:

1. The Membership Chair will be the holder of the Time Travel Tokens. It will be each member’s responsibility throughout the year as the member achieves one of the goals below to notify the Membership Chair of his/her accomplishment and the Membership Chair will send the Member an email acknowledging receipt of the notification. Certain accomplishments will receive certain numbers of tokens.
2. At each state meeting throughout the year, the Membership Chair will announce where each member in attendance is on the journey and there will be small prizes handed out for certain achievements. (The prizes will vary from restaurant gift certificates, movie passes, Wal-Mart cards, etc.)
3. At the Annual Meeting in 2009 the Member closest to the year 2029 will receive the grand prize. Should there be a tie, the Membership Chair will then hold a drawing for the winner.

Each Member of the Mississippi Legal Professionals Association will receive Time Travel Tokens when they perform any of the following:
